Quark Matter 2014: Second Announcement

Dec. 1, 2013

Dear Colleague,

We are pleased to announce that registration for the 24th International Conference on Ultra-Relativistic Nucleus-Nucleus Collisions (Quark Matter 2014) is now open at the conference web site <http://qm2014.gsi.de>. Please register at your earliest convenience. We also advise you to book hotel rooms as early as possible.

Concerning the possibility to offer child-care services, we have not heard from any interested parents up to now. Those interested in this service are asked to let us know before Dec. 20, 2013. If we do not receive a sufficient number of expressions of interest by that date we will not pursue this option. Please send email on this issue to the Quark Matter email account (qm2014@gsi.de).

We look forward to seeing you in Darmstadt in May 2014.

Sincerely yours,

Peter Braun-Munzinger and Johanna Stachel

Co-Chairs, Quark Matter 2014 Local Organizing Committee
